JOB SUMMARY

Reporting to the General Manager, Deputy Manager, Registered Nurse in Charge and Dementia Specialist Community Lead - our Healthcare Assistants are responsible for ensuring a high level of care is provided to our Residents and that they comply with the regulatory requirements of the Care Quality Commission and also with the company's policies and procedures.

The Health Care Assistants will provide strong practical dementia/elderly care knowledge to ensure the highest standards are achieved in the delivery of care within the Home.

Folkestone Care Centre has been established through the vocation and vision of caring medical professionals. It was privately commissioned in 2018 and uses its modern features to enable the delivery of the highest quality of nursing care for the elderly.

We are seeking to recruit highly skilled and experienced Healthcare Assistants with Dementia Care experience to join our existing team of caring professionals.

The Healthcare Assistant will ensure that personal care is delivered in line with both company policy and procedures, and also Care Quality Commission regulatory requirements to promote best practice.

We are currently recruiting to a range of day shift patterns, and are seeking to employ a range of both contracted and bank Healthcare Assistants to join our dynamic team.
